

Native American Project Ideas For High School

Here are the native American project ideas for high school students:

History and Culture

1. Timeline of tribal migration patterns
2. Traditional clothing design and meanings
3. Native American language preservation efforts
4. Tribal governance systems comparison
5. Indigenous food preservation techniques
6. Storytelling traditions across different tribes
7. Native American contributions to medicine
8. Traditional games and their significance
9. Tribal land management practices
10. Native American art symbolism exploration
11. Creation stories from various tribes
12. Native American astronomy and constellations
13. Traditional music instruments and usage
14. Native American architecture styles
15. Tribal trade routes and economies

Environment and Nature

16. Native plant uses in daily life
17. Wildlife conservation efforts by tribes
18. Traditional farming methods and crops
19. Native American weather prediction techniques
20. Sacred natural sites and significance
21. Indigenous perspectives on climate change
22. Traditional hunting and fishing practices
23. Native American plant-based medicine
24. Water conservation methods of tribes
25. Native American animal symbolism
26. Traditional forest management techniques
27. Indigenous sustainable living practices
28. Native American geology knowledge
29. Traditional methods of navigation
30. Native American renewable energy initiatives

Social Issues and Activism

31. Modern Native American voting rights
32. Indigenous language revitalization programs
33. Native American education system challenges

34. Tribal sovereignty and federal relations
35. Native American healthcare disparities
36. Indigenous land rights movements
37. Native American representation in media
38. Tribal economic development initiatives
39. Native American foster care issues
40. Indigenous environmental justice efforts
41. Native American women's rights movements
42. Tribal community policing programs
43. Native American LGBTQ+ identities
44. Indigenous food sovereignty initiatives
45. Native American mental health support

Arts and Crafts

46. Traditional pottery-making techniques
47. Native American beadwork patterns
48. Tribal mask carving and meanings
49. Indigenous weaving methods and designs
50. Native American jewelry-making
51. Traditional hide tanning processes
52. Indigenous textile dyeing techniques
53. Native American basketry styles
54. Traditional face painting significance
55. Indigenous wood carving practices
56. Native American quillwork art
57. Traditional leather crafting methods
58. Indigenous sand painting techniques
59. Native American Dreamcatcher creation
60. Traditional stone tool-making

Literature and Storytelling

61. Contemporary Native American authors
62. Traditional oral storytelling techniques
63. Indigenous comic book creators
64. Native American poetry styles
65. Tribal creation myth comparisons
66. Indigenous young adult literature
67. Native American folklore animals
68. Traditional winter storytelling customs
69. Indigenous graphic novel artists
70. Native American biographies and memoirs
71. Tribal legend preservation efforts
72. Indigenous science fiction writers
73. Native American children's book authors
74. Traditional storytelling props and tools
75. Indigenous slam poetry performances

Music and Dance

76. Traditional powwow dance styles
77. Native American flute making
78. Indigenous hip-hop artist showcase
79. Traditional drum-making techniques
80. Native American lullabies and meanings
81. Indigenous electronic music producers
82. Traditional ceremonial dance outfits
83. Native American musical notation systems
84. Indigenous rock band highlights
85. Traditional rattles and their uses
86. Native American music in films
87. Indigenous jazz musician profiles
88. Traditional round dance significance
89. Native American Musical Instrument Museum
90. Indigenous music streaming platforms

Science and Technology

91. Native American contributions to agriculture
92. Indigenous GPS and mapping technologies
93. Traditional water purification methods
94. Native American mathematics concepts
95. Indigenous earthquake prediction techniques
96. Traditional food preservation technologies
97. Native American contributions to astronomy
98. Indigenous sustainable building technologies
99. Traditional plant-based dye chemistry
100. Native American contributions to medicine
101. Indigenous fire management techniques
102. Traditional weather forecasting methods
103. Native American contributions to ecology
104. Indigenous waste management practices
105. Traditional tool-making technologies

Sports and Games

106. Traditional Native American stick games
107. Indigenous Olympic athlete profiles
108. Native American football history
109. Traditional archery techniques and tools
110. Indigenous long-distance runners' stories
111. Native American martial arts forms
112. Traditional canoe racing competitions
113. Indigenous winter sports and games
114. Native American rodeo circuit
115. Traditional hunting skills competitions

116. Indigenous extreme sports athletes
117. Native American baseball history
118. Traditional stone-throwing games
119. Indigenous horseback riding techniques
120. Native American lacrosse origins

Fashion and Textiles

121. Contemporary Native American fashion designers
122. Traditional weaving loom construction
123. Indigenous sustainable fashion initiatives
124. Native American regalia care techniques
125. Traditional natural fiber processing
126. Indigenous streetwear brand showcase
127. Native American textile pattern meanings
128. Traditional hide clothing construction
129. Indigenous Fashion Week events
130. Native American jewelry-making techniques
131. Traditional fur trading history
132. Indigenous shoe and moccasin designs
133. Native American textile preservation methods
134. Traditional hat and headdress styles
135. Indigenous fashion influencer profiles

Film and Media

136. Native American Film Festival showcase
137. Indigenous news outlets and journalism
138. Native American documentary filmmakers
139. Traditional storytelling in modern media
140. Indigenous social media influencers
141. Native American representation in TV
142. Traditional radio programs and podcasts
143. Indigenous virtual reality experiences
144. Native American video game developers
145. Traditional photography and portraiture
146. Indigenous streaming platform creation
147. Native American animation studios
148. Traditional oral history digitization
149. Indigenous web series creators
150. Native American film score composers

Food and Cuisine

151. Traditional wild rice harvesting
152. Indigenous food sovereignty movements
153. Native American fry bread history
154. Traditional threesisters's gardening

155. Indigenous food preservation techniques
156. Native American seed-saving practices
157. Traditional herbal tea preparations
158. Indigenous sustainable fishing methods
159. Native American cooking utensils
160. Traditional game meat preparation
161. Indigenous fermentation processes
162. Native American foraging practices
163. Traditional corn preparation methods
164. Indigenous food truck businesses
165. Native American Chef spotlight

Language and Communication

166. Indigenous sign language systems
167. Native American language apps
168. Traditional storytelling hand gestures
169. Indigenous writing system development
170. Native American code talkers' history
171. Traditional name-giving ceremonies
172. Indigenous language immersion schools
173. Native American dialect preservation
174. Traditional smoke signal communication
175. Indigenous braille system adaptation
176. Native American language dictionaries
177. Traditional drumming communication methods
178. Indigenous emoji and keyboard creation
179. Native American sign language interpretation
180. Traditional pictograph communication systems

Spirituality and Religion

181. Native American vision quest practices
182. Indigenous sweat lodge ceremonies
183. Native American medicine wheel teachings
184. Traditional smudging ritual significance
185. Indigenous dream interpretation practices
186. Native American sacred site protection
187. Traditional animal spirit guides
188. Indigenous healing ceremony practices
189. Native American prayer tie creation
190. Traditional tobacco offers significance
191. Indigenous seasonal celebration customs
192. Native American medicine bundle contents
193. Traditional naming ceremony practices
194. Indigenous coming-of-age rituals
195. Native American spiritual leader profiles

Economics and Business

196. Native American-owned business directory
197. Indigenous cryptocurrency development
198. Native American Casino Impact Studies
199. Traditional bartering system practices
200. Indigenous micro-lending programs
201. Native American tourism initiatives
202. Traditional resource management economics
203. Indigenous Fair Trade certification
204. Native American entrepreneurship programs
205. Traditional communal economy systems
206. Indigenous stock market participation
207. Native American patent protection efforts
208. Traditional gift-giving economy practices
209. Indigenous business incubator programs
210. Native American tribal budget analysis

Law and Government

211. Tribal court system comparison
212. Indigenous environmental protection laws
213. Native American treaty rights education
214. Traditional peacekeeping methods
215. Indigenous Child Welfare Act impact
216. Native American citizenship requirements
217. Traditional conflict resolution practices
218. Indigenous intellectual property rights
219. Native American voting rights history
220. Traditional leadership selection methods
221. Indigenous land use regulations
222. Native American self-governance models
223. Traditional justice system practices
224. Indigenous water rights legislation
225. Native American tribal constitution analysis
