How to Make Civics Project Ideas

1. **Pick a Relevant Topic**: Choose a topic that interests you and is related to society or government. This could be about voting, laws, human rights, or any social issue.
2. **Do Some Research**: Collect information from books, articles, and websites to understand the topic better. This will help you make informed decisions and create a strong project.
3. **Think of Possible Solutions**: After understanding the issue, think of ways to solve it. Your project might include writing a report, making a video, or starting a campaign to raise awareness.
4. **Organize Your Information**: Gather all your research and ideas. You can present them as an essay, a presentation, or even a poster to share with others.
5. **Get Feedback**: Ask your teacher, friends, or family for their opinion on your project. This will help you improve and make your ideas clearer.
