## Benefits of Doing 100th Day of School Projects

- **Hands-On Learning:** Students get to learn through experience and practical activities.

- **Encourages Bonding:** Families can participate, making it a collaborative effort.
- **Boosts Confidence:** Completing a creative project gives children a sense of accomplishment.
- **Develops Patience:** Working on a project involving 100 items requires focus and persistence.

# Top 100 100th Day of School Project Ideas 2025-26

## Creative Crafts

### 1. 100 Paper Cranes

Fold and string 100 paper cranes to create a beautiful mobile display symbolizing peace and patience.

### 2. 100 Pom-Pom Garland

Glue 100 colorful pom-poms onto a string to make a festive garland for classroom decor.

### 3. 100 Button Art

Use 100 buttons to form shapes or spell out “100 Days” on a canvas or cardboard.

### 4. 100-Handprint Collage

Create a collage with 100 handprints from classmates, teachers, and family members.

### 5. 100 Popsicle Stick House

Build a model house using 100 popsicle sticks to demonstrate architectural creativity.

### 6. 100 Glitter Dots Card

Design a card featuring 100 glitter dots in creative patterns or designs.

### 7. 100 Straw Tower

Challenge students to build a sturdy tower using 100 straws and tape.

### 8. 100 Bead Necklace

Thread 100 beads onto a string to make a colorful necklace or bracelet.

### 9. 100 Thumbprint Tree

Paint a tree trunk and use 100 thumbprints to create the leaves.

**10. 100 Seashell Mosaic**

Arrange 100 seashells into a mosaic design to showcase artistic skills.

**11. 100 Cotton Ball Snowman**

Assemble a large snowman using 100 cotton balls for a winter-themed project.

**12. 100 Painted Rocks**

Paint and decorate 100 small rocks to create unique art pieces.

**13. 100 Pipe Cleaner Creations**

Twist and shape 100 pipe cleaners into fun designs or animals.

**14. 100 LEGO Structure**

Build a structure using exactly 100 LEGO pieces.

**15. 100 Yarn Pom-Pom Wreath**

Craft a wreath with 100 mini yarn pom-poms in vibrant colors.

**16. 100 Feather Art**

Glue 100 feathers onto a cardboard outline of a bird or another shape.

**17. 100 Leaf Rubbing Display**

Collect 100 leaves and make rubbings using crayons to display them creatively.

**18. 100 Puzzle Pieces Collage**

Assemble 100 puzzle pieces into a unique pattern or image.

**19. 100 Clay Bead Sculptures**

Shape and paint 100 clay beads to create miniature sculptures.

**20. 100 Rubber Band Ball**

Wrap 100 rubber bands together to form a colorful bouncy ball.

## Math & Numbers

**21. Counting to 100 Chart**

Design a chart that creatively displays counting to 100.

**22. 100 Penny Stack**

Stack 100 pennies to see how high it reaches.

**23. 100 Domino Chain**

Set up a domino chain using 100 dominoes and watch it topple.

**24. 100 Number Patterns**

Create patterns using numbers 1–100 on graph paper.

**25. 100 Number Line**

Design a colorful number line from 1 to 100.

**26. 100 Blocks Pyramid**

Build a pyramid using 100 blocks or cubes.

**27. 100 Paper Clip Chain**

Link 100 paper clips together to form a long chain.

**28. 100 Jellybean Graph**

Graph 100 jellybeans by color to visualize data.

**29. 100 Coins Sorting**

Sort and categorize 100 coins by denomination.

**30. 100 Beads in Patterns**

Thread 100 beads in a repeating pattern to explore math concepts.

**31. 100 Tally Marks Art**

Use tally marks to count to 100 and form a creative image.

**32. 100 Skip Counting Game**

Create a board game that helps players practice skip counting to 100.

**33. 100 Dice Rolls**

Record the results of rolling a dice 100 times and analyze the outcomes.

**34. 100 Multiplication Grid**

Design a grid that showcases multiplication facts up to 100.

**35. 100 Shape Collage**

Cut out 100 geometric shapes to form a picture or pattern.

**36. 100-Step Measurement**

Walk 100 steps and measure the total distance covered.

**37. 100 Number Flashcards**

Make and decorate flashcards for numbers 1–100.

**38. 100 Square Maze**

Design a maze using 100 squares as pathways.

**39. 100 Ways to Add to 100**

List all possible number combinations that add up to 100.

**40. 100 Days Graphing Activity**

Graph how many days are left in the school year after 100 days.

## Science Projects

**41. 100 Seeds Experiment**

Plant 100 seeds and observe how many sprout after a week.

**42. 100 Drops of Water**

Measure how many objects 100 drops of water can fill.

**43. 100-Piece Rock Collection**

Collect and classify 100 rocks by size, color, or type.

**44. 100 Balloon Experiment**

Inflate 100 balloons to explore air pressure and volume.

**45. 100-Insect Observation**

Observe and document 100 insects (pictures or models).

**46. 100 Plant Leaf Collection**

Collect 100 different leaves and classify them.

**47. 100 Magnifying Glass Objects**

Examine 100 objects under a magnifying glass and note observations.

**48. 100 Times to the Moon**

Calculate how far 100 school buses would stretch toward the moon.

**49. 100 Drops of Oil vs. Water**

Experiment with 100 drops of oil and water to study their behavior.

**50. 100 Clouds Drawing**

Draw and identify 100 cloud formations.

**51. 100 Stars in the Sky**

Draw or recreate a night sky with 100 stars.

**52. 100 Paper Plane Flight**

Fly 100 paper planes and measure the distances traveled.

**53. 100 Ant Farm Study**

Create an ant farm with 100 ants to observe their behavior.

**54. 100 Ice Cube Melting**

Observe how long it takes for 100 ice cubes to melt.

**55. 100 Circuit Test**

Connect 100 small LED lights to a circuit board.

**56. 100 Bug Identification**

Identify and record 100 different bugs (real or illustrated).

**57. 100 Weather Patterns**

Document weather changes for 100 days.

**58. 100 Minute Timer**

Build a sand timer that lasts exactly 100 minutes.

**59. 100 Wind Measurements**

Measure wind speed over 100 seconds and calculate averages.

**60. 100 Solar Panels Model**

Create a model with 100 mini solar panels.

## Community & History

**61. 100 People in History**

Research and write about 100 influential people.

**62. 100 Thank-You Notes**

Write 100 thank-you notes to community members or classmates.

**63. 100 Acts of Kindness**

Document 100 acts of kindness performed over the school year.

**64. 100 Books Read**

Compile a list of 100 books read by the class.

**65. 100 Class Photos**

Collect 100 photos from different school events.

**66. 100 Words in Different Languages**

Learn and write 100 words in various languages.

**67. 100 School Supplies Drive**

Donate 100 school supplies to a local charity.

**68. 100 Veterans Honored**

Create a display honoring 100 veterans.

**69. 100 Days of Recycling**

Track and recycle 100 items over the course of 100 days.

**70. 100 Classmate Memories**

Collect 100 memories or quotes from classmates.

## Art & Design

**81. 100 Colorful Markers**

Create a large mural or drawing using 100 different markers to showcase a rainbow or any theme.

**82. 100 Colors of Paint**

Paint a large canvas using exactly 100 colors to create a colorful masterpiece.

**83. 100 Silhouette Designs**

Cut out 100 silhouettes from black paper to create a dramatic art piece.

**84. 100 Stickers on Poster**

Design a large poster using 100 different stickers to form a creative pattern or image.

**85. 100 Patterns on Paper**

Create 100 unique patterns using different shapes, colors, and designs.

**86. 100 Doodles Challenge**

Fill a page with 100 small doodles or sketches.

**87. 100 Origami Creations**

Fold 100 different origami shapes and arrange them into an intricate design.

**88. 100 Watercolor Swatches**

Paint 100 small swatches of different watercolor shades and arrange them on a board.

**89. 100 Geometric Shapes**

Create an abstract design using 100 different geometric shapes like squares, triangles, and circles.

**90. 100 Nature Prints**

Collect 100 leaves, flowers, or natural objects, then press or paint them to make prints.

**91. 100 Tile Mosaic**

Design a mosaic using 100 small tiles to form an image or pattern.

**92. 100 Glitter Stars**

Make 100 glittery stars and hang them in a constellation pattern around the classroom.

**93. 100 Felt Animal Cutouts**

Cut out 100 felt animals and assemble them into a zoo or nature scene.

**94. 100 String Art Pieces**

Use string to create intricate designs with 100 strands or nails on a wooden board.

**95. 100 Color Swatches Display**

Collect 100 color swatches from paint samples and arrange them in a creative design.

**96. 100 Paper Flowers**

Make 100 paper flowers and use them to decorate the classroom for the celebration.

### 97. **100 Clay Sculptures**

Shape 100 small clay sculptures and arrange them to create a 3D artwork.

### 98. **100 Stamps on Paper**

Use 100 rubber stamps with different designs to fill a large sheet of paper.

### 99. **100 Paper Strips Weaving**

Weave 100 colorful paper strips together to create a woven tapestry or placemat.

### 100. **100 Embroidery Threads**

Use 100 strands of embroidery thread to stitch a design on fabric or a wall hanging.

## How to Make a 100th Day of School Project

Follow these simple steps to create a meaningful and enjoyable project:

1. **Choose a Theme:** Think about what excites your child—animals, space, art, or numbers.
2. **Gather Supplies:** Collect 100 small items like buttons, beads, stickers, or LEGO bricks.
3. **Plan the Layout:** Decide how the items will be displayed (poster, collage, model, etc.).
4. **Create Together:** Work as a team to assemble the project, encouraging creativity and fun.
5. **Add a Personal Touch:** Include a story, title, or decoration to make it unique.

## Tips for Choosing the Best 100th Day of School Project

- **Match Interests:** Pick a project theme that aligns with your child's passions.
- **Keep It Manageable:** Ensure the project is age-appropriate and not too complex.
- **Use Available Resources:** Choose materials that are easy to find at home or school.
- **Encourage Participation:** Let your child take the lead while offering guidance.

# How Teachers Can Incorporate 100th Day Projects in Class

- **Interactive Displays:** Create a wall showcasing all students' 100th-day projects.
- **Math Challenges:** Solve problems involving the number 100.
- **Story Time:** Share books related to the number 100, like *“Miss Bindergarten Celebrates the 100th Day of Kindergarten.”*

## Conclusion

The 100th day of school is more than just a date; it's an opportunity to celebrate creativity, learning, and growth. By engaging in 100th-day projects, students can develop skills, create memories, and strengthen bonds with their families and classmates.

So, get inspired, grab some materials, and let your imagination soar with these fun and educational project ideas!
