

School Project Harriet Tubman Project Ideas

Here are the top School Project Harriet Tubman Project Ideas:

Art and Creativity Projects

1. Draw a comic strip showing Harriet Tubman helping people escape to freedom.
2. Make a bright, colourful map showing Underground Railroad paths.
3. Paint a picture of Harriet Tubman using watercolours.
4. Build a small model of a safe house people used to hide.
5. Cut and design paper quilt squares with hidden messages.
6. Create a postage stamp that honours Harriet Tubman's bravery.
7. Make a freedom lantern using paper and a small battery light.
8. Use shadow puppets to tell Harriet's escape story.
9. Build a cardboard model of Harriet's childhood home.
10. Paint small pictures showing moments from Harriet's life.
11. Make paper dolls wearing clothes from the time of the escape.
12. Design a medal to honour Harriet's service in the Civil War.
13. Create small finger puppets of Harriet and the people she helped.
14. Draw the North Star and constellations used for guidance.
15. Paint pictures of different safe houses on the journey.
16. Make a small clay sculpture of Harriet leading people north.
17. Design a book cover about Harriet's amazing life story.
18. Use small pieces of paper to create a mosaic of freedom symbols.
19. Build little lanterns that signal safety.
20. Draw comic book panels of Harriet working as a spy in the war.
21. Paint pictures of Harriet helping as a nurse.
22. Make paper plate awards for Harriet's accomplishments.
23. Create a flag that represents freedom and bravery.
24. Make friendship bracelets with symbols from the Underground Railroad.
25. Build small wooden boxes like the ones used for hiding.
26. Draw maps that show the routes from the South to the North.
27. Paint murals of Harriet's most important moments.
28. Make paper chains to show the people Harriet saved.
29. Design posters about Harriet's work leading others to freedom.
30. Make collages using pictures from Harriet's period.

Writing and Storytelling Projects

31. Write diary entries pretending you are escaping with Harriet.
32. Create a poem about freedom and courage.
33. Write letters between Harriet and the people she helped.
34. Make a newspaper report on Harriet's Underground Railroad work.
35. Write a song about Harriet's bravery and strength.
36. Create an adventure story about escaping to freedom.
37. Write thank-you notes from families Harriet rescued.
38. Make a timeline book about important events in Harriet's life.

39. Write a speech Harriet might have given about freedom.
40. Create a coded message like the ones used to share secret news.
41. Write a story about Harriet's childhood.
42. Make a book about Harriet's hero journey.
43. Write a letter to Harriet telling her what she means to you.
44. Create a class newspaper about Harriet's achievements.
45. Write diary entries from different viewpoints of people who knew Harriet.
46. Make a small book about Harriet's work in the Civil War.
47. Write poems using secret Underground Railroad words.
48. Create an adventure story about escaping at night.
49. Write letters between safe house helpers and runaway slaves.
50. Make a book about Harriet's work as a nurse.
51. Write a story about Harriet's dreams and visions.
52. Create prayer cards with words Harriet might have used.
53. Write a play about a big moment in Harriet's life.
54. Make a list of interview questions you would ask Harriet today.
55. Write a song using secret code words.
56. Create a story about helping others be brave.
57. Write notes about how people used the night sky to travel.
58. Make a book about Harriet's later years helping others.
59. Write letters about the struggles of escaping to freedom.
60. Create biography cards about Harriet's family members.

Performance and Drama Projects

61. Act out scenes from Harriet's rescue missions.
62. Make a puppet show about the Underground Railroad.
63. Perform a skit of Harriet helping soldiers in the Union Army.
64. Create a shadow theatre show about nighttime escapes.
65. Role-play a conversation between Harriet and someone she saved.
66. Perform a short play about Harriet's childhood.
67. Dramatically read Harriet's famous quotes.
68. Act out a scene of Harriet spying during the Civil War.
69. Make a dance or movement piece showing the journey to freedom.
70. Perform a musical scene about Harriet's bravery.
71. Pretend to interview Harriet about her life.
72. Create still pictures of important moments in history.
73. Act out scenes of Harriet helping the sick.
74. Perform a skit about people who ran safe houses.
75. Act out a scene about following the North Star.
76. Pretend to talk with an abolitionist like Harriet did.
77. Perform a play about Harriet planning an escape.
78. Make a short musical about courage and freedom.
79. Act out the emotional moment when families reunited.
80. Perform scenes from Harriet's life to bring history alive.
81. Dramatically read real stories of escapes.
82. Create a play about secret signals used to communicate.
83. Role-play a scene from Harriet's later life.

84. Act out how people passed messages along the Underground Railroad.
85. Perform a play about Harriet helping sick soldiers.
86. Act out a moment where Harriet teaches survival skills.
87. Show Harriet's leadership through acting.
88. Perform a play about facing danger without fear.
89. Pretend to talk with another conductor.
90. Act out scenes that show Harriet's determination and strength.

Research and History Projects

91. Make a timeline with the most important events in Harriet's life.
92. Create fact cards about different Underground Railroad stations.
93. Research the foods people ate while escaping.
94. Draw maps showing all the places where Harriet lived.
95. Make charts showing how many people she helped to freedom.
96. Research the clothes worn during escape journeys.
97. Create information cards about where safe houses were.
98. Draw diagrams showing secret places where people hid.
99. Research tools and items used while travelling to freedom.
100. Make charts showing how far apart safe houses were.
101. Research the plants Harriet used to help heal people.
102. Create information sheets about her work as a spy during the Civil War.
103. Draw diagrams showing how people on the Underground Railroad sent secret messages.
104. Research songs that carried hidden messages.
105. Make fact sheets about Harriet's family members.
106. Create charts showing how long escape journeys took.
107. Research the different jobs Harriet did to help others.
108. Make information cards about important leaders in the fight to end slavery.
109. Draw maps showing important places during the Civil War.
110. Research ways people avoided being caught while escaping.
111. Make a timeline of Harriet's work as a nurse in the war.
112. Create fact sheets about families who ran safe houses.
113. Research how people travelled during escapes.
114. Make charts showing when most people tried to escape.
115. Create information cards about what life was like for slaves.
116. Research ways people helped those escaping.
117. Draw diagrams showing how people used the stars to find their way.
118. Make fact sheets about special words used on the Underground Railroad.
119. Research how clothes were used to send messages.
120. Create information cards about groups that helped people reach freedom.

Technology and Digital Projects

121. Make a digital slideshow about Harriet's life.
122. Create a virtual tour showing the path of the Underground Railroad.
123. Design a computer game about the challenges of escaping.
124. Make a digital timeline of her most important rescue missions.

125. Create an animated video about Harriet's brave actions.
126. Design an interactive map showing escape routes.
127. Make a digital book about her work as a nurse.
128. Create a virtual museum showing Underground Railroad artefacts.
129. Design a computer quiz with facts about Harriet's life.
130. Make a digital poster about symbols of freedom.
131. Create animated scenes showing how people travelled at night.
132. Design a virtual game about exploring a safe house.
133. Make a digital story about Harriet's work as a spy.
134. Create an interactive timeline about the fight to end slavery.
135. Design a computer simulation about planning an escape.
136. Make a digital gallery of places that were important to Harriet.
137. Create an animated guide explaining secret messages.
138. Design a virtual experience of following the North Star.
139. Make a digital presentation about how Harriet rescued people.
140. Create an interactive map showing important Civil War places.
141. Design a computer game about survival skills.
142. Make a digital book about helping others.
143. Create animated scenes showing her bravest moments.
144. Design a virtual tour of important historical sites.
145. Make a digital timeline of her work as a nurse.
146. Create an interactive guide about secret signals.
147. Design a computer game about avoiding capture.
148. Make a digital presentation about songs of freedom.
149. Create an animated story about Harriet's family reunions.
150. Design a virtual museum about her legacy.

Community and Service Projects

151. Give a class presentation about Harriet's bravery.
152. Make a freedom quilt to display at school.
153. Create information boards for the school hallways.
154. Organise a walking tour of the Underground Railroad.
155. Write a class book about helping others.
156. Give a presentation about courage to younger students.
157. Organise a school event where students sing freedom songs.
158. Create a display of Harriet's work as a nurse in the war.
159. Make information cards for the school library.
160. Put on a play in class about Harriet's life.
161. Design community posters about the meaning of freedom.
162. Give a presentation about following dreams with bravery.
163. Organise an art display about escape journeys.
164. Create a history fair where students share information.
165. Give a presentation about leadership skills.
166. Hold a class discussion about courage in today's world.
167. Create a display about how Harriet helped sick people.
168. Give a talk about how working together helps everyone.
169. Plan a school history event to learn about Harriet.

170. Make a display about other brave leaders.
171. Give a presentation about using the stars to travel.
172. Organise a class project where students share family histories.
173. Create a display about how people communicated in secret.
174. Give a presentation about survival skills used during escapes.
175. Organise a school event to celebrate freedom.
176. Make posters to teach others about helping people.
177. Give a presentation about important lessons from Harriet's life.
178. Help organise a school-wide quilt project about freedom.
179. Create a display about strong women leaders.
180. Give a presentation about chasing dreams no matter what.

Science and Geography Projects

181. Study plants Harriet used to help heal wounded soldiers.
182. Make maps showing the safest paths people took.
183. Learn how people used the stars to find their way.
184. Build models of secret underground hiding places.
185. Study how the weather affected escape journeys.
186. Make maps showing the landforms along escape routes.
187. Research plants people ate while travelling to freedom.
188. Build models of how safe houses were set up.
189. Learn about how people crossed rivers safely.
190. Make maps showing when and where people travelled.
191. Study natural signs that helped guide people.
192. Build models showing how people climbed mountains to escape.
193. Research medicine Harriet used to help others.
194. Make maps showing where people hid in forests.
195. Study how people found their way using nature.
196. Build models of places where people crossed rivers.
197. Learn how people survived harsh weather during escapes.
198. Make maps showing how far people travelled.
199. Study how people identified useful plants.
200. Build models of rough land people had to travel through.
201. Learn about stars people followed at night.
202. Make maps showing where to find clean water.
203. Study how landforms helped people hide.
204. Build models of forest pathways used to escape.
205. Learn survival methods used in different seasons.
206. Make maps showing different weather zones.
207. Study how people used nature to find directions.
208. Build models showing mountains, rivers, and other landmarks.
209. Learn how people used plants as medicine.
210. Make maps showing changes in elevation along escape routes.

Math and Problem-Solving Projects

211. Calculate how far apart the safe houses were.

212. Measure how long escape journeys took.
213. Count how many people Harriet helped achieve freedom.
214. Calculate how much food was needed for escape groups.
215. Measure how far people travelled at night.
216. Count the number of safe houses along different routes.
217. Calculate how fast people had to walk to stay safe.
218. Measure how wide rivers were when crossing.
219. Count Harriet's successful rescue missions.
220. Calculate supplies needed for different-sized groups.
221. Measure spaces where people hid in safe houses.
222. Count how many days each journey took.
223. Calculate how often people need to rest.
224. Measure how steep the mountain paths were.
225. Count how many people Harriet helped during the war.
226. Calculate the amount of medicine needed.
227. Measure how long forest paths were.
228. Count how many secret messages were used.
229. Calculate how much food each person needs.
230. Measure the distance of different escape routes.
231. Count the number of stars used for navigation.
232. Calculate the success rate of different escape routes.
233. Measure how far apart safe houses were from one another.
234. Count the different types of signals used to communicate.
235. Calculate the resources needed for long journeys.
236. Measure the distance people travelled each night.
237. Count the number of people in Harriet's network of helpers.
238. Calculate the best timing for an escape.
239. Measure how difficult different routes were to travel.
240. Count the survival skills needed for a successful journey.

Music and Movement Projects

241. Learn freedom songs that people sang during their journeys.
242. Create movements to show how people travelled while escaping.
243. Learn the secret rhythms used to send messages.
244. Create dances that tell stories of freedom.
245. Learn songs that had hidden meanings.
246. Make movements to show how people crossed rivers.
247. Learn songs that Civil War soldiers sang.
248. Create dances about the bravest moments in Harriet's life.
249. Learn prayer songs that gave people hope.
250. Make movements showing how people moved quietly in the dark.
251. Learn songs about following the stars to freedom.
252. Create dances that celebrate reaching freedom.
253. Learn songs that encourage people to help others.
254. Make movements to show different hiding techniques.
255. Learn songs about having courage.
256. Create dances that show the joy of family reunions.

257. Learn songs that gave people hope during hard times.
258. Make movements to show determination and strength.
259. Learn songs about working together to reach freedom.
260. Create dances to celebrate victory over struggles.

Kids Harriet Tubman Project Ideas:

1. Make a fun timeline that shows important events in Harriet Tubman's life. Use pictures and simple facts.
2. Build a small model of a safe house with secret hiding spots.
3. Create a board game where players go through challenges based on real events.
4. Write diary entries from the point of view of different people Harriet helped.
5. Make old-fashioned clothes using materials that were common in Harriet's time.
6. Perform a speech as Harriet, telling her story with real facts.
7. Draw a map that shows the Underground Railroad routes and the land around them.
8. Write and draw a picture book about Harriet's childhood.
9. Make a set of trading cards with facts about important people from history.
10. Create a pretend newspaper with stories about Harriet's rescue missions.
11. Design a quilt square with symbols used in the Underground Railroad.
12. Build a small scene that shows an important moment in Harriet's journey.
13. Put on a puppet show that teaches about Harriet's life.
14. Design a mini-museum with objects made by students to tell Harriet's story.
15. Make a mobile that shows events in Harriet's life in order.
16. Write and draw letters between Harriet and her family members.
17. Build a model that shows how people used the North Star to find their way.
18. Create posters that explain Harriet's role in the military.
19. Make a video that tells about Harriet's work helping others.
20. Learn songs from Harriet's time and explain what they meant.
21. Build a model showing a path someone might have taken to escape.
22. Draw a map showing important places in Harriet's life.
23. Make flashcards with facts about important events in history.
24. Design a quilt that includes real patterns used for secret messages.
25. Write and illustrate stories about Harriet's successful rescue trips.
26. Build a model of how people travelled during Harriet's time.
27. Create a card game about how the Underground Railroad worked.
28. Make a timeline that shows what else was happening during Harriet's time.
29. Write short biographies about people who worked with Harriet.
30. Create a presentation about how doctors helped people during the Civil War.

4th Grade Harriet Tubman Project Ideas:

31. Research and compare old records, books, and stories about Harriet.
32. Study how people secretly shared messages on the Underground Railroad.
33. Use math to figure out how long escape routes took to travel.
34. Compare what different books say about Harriet's life.
35. Learn about medical tools and treatments during the Civil War.

36. Make a website that explains Harriet's work as a spy.
37. Research how money and jobs affected slavery and freedom.
38. Study how safe houses were built and what made them work.
39. Learn about the plans and ideas people used to end slavery.
40. Research Harriet's fight for women's right to vote.
41. Compare different escape paths people used to find freedom.
42. Act out what it was like to make choices on the Underground Railroad.
43. Learn how people used nature and the stars to find their way.
44. Study how groups of people helped make the Underground Railroad work.
45. Read real documents from Harriet's time and explain what they meant.
46. Study how people used secret codes to communicate.
47. Learn about what Harriet did to help people after the Civil War.
48. Research how Harriet inspired later leaders in the civil rights movement.
49. Compare Harriet to other famous people who worked to end slavery.
50. Study what doctors knew about medicine in Harriet's time.
51. Learn how laws like the Fugitive Slave Act affected people's lives.
52. Research how people got money to help freedom seekers.
53. Study how safe houses operated and what people needed to survive.
54. Learn about how Harriet planned and carried out rescue missions.
55. Research how Harriet worked with others to help people escape.
56. Study what the government was like during Harriet's time.
57. Compare how people escaped in different parts of the country.
58. Learn how historians today find and use old records.
59. Research how Harriet's work still affects people today.
60. Look at old newspapers to see how people wrote about Harriet.
