

Martin Luther King Project Ideas

List of easy Martin Luther King Project Ideas:

Art and Creativity Projects

1. Draw a colourful picture showing your own dream of making the world better, just like Dr. King did in his famous speech.
2. Create a big peace dove using white paper plates and write kind messages on the feathers about treating everyone fairly.
3. Paint a rainbow-coloured handprint tree where each handprint represents someone who helps make the world a better place.
4. Make a paper quilt with different squares showing important moments from Dr. King's life using crayons and markers.
5. Design a superhero costume for a character called "Peace Maker", who helps people get along and be kind to each other.
6. Build a miniature stage from a shoebox and put on a puppet show about Dr. King's life using finger puppets.
7. Create a friendship bracelet using beads of different colours to show how everyone can be different but still work together.
8. Draw a comic strip showing how you can stand up for someone being treated unfairly at school or on the playground.
9. Make a "peace garden" collage using pictures of flowers cut from magazines, with each flower representing a different way to be kind.
10. Design a postage stamp honouring Dr King using bright colours and important symbols from his life.
11. Create a "dream cloud" mobile using cotton balls and hanging paper stars with your wishes for a better world.
12. Paint rocks with peaceful messages and hide them around your school for others to find and smile about.
13. Make a paper chain where each link has a different way to show kindness written on it.
14. Design a board game called "Path to Peace", where players move forward by making good choices about treating others fairly.
15. Create a "unity crown" using paper and decorations that show how everyone deserves to be treated like royalty.
16. Draw a map of your neighbourhood and mark places where you can help make positive changes, just like Dr. King did.
17. Make paper dolls holding hands to show people of different backgrounds working together for peace.
18. Create a "peace flag" using fabric markers and a plain white pillowcase to hang in your classroom.
19. Build a "bridge of friendship" using popsicle sticks and write ways to make new friends on each stick.
20. Design a colouring book about Dr King's life that younger kids can enjoy and learn from.

Writing and Storytelling Projects

21. Write a letter to Dr. King telling him about how his dream has helped make the world better today.
22. Create a story about a kid who stands up for someone being bullied, just like Dr. King stood up for others.
23. Make up a poem using words that remind you of peace, love, and kindness.
24. Write your own "I Have a Dream" speech about how you want to make your school a better place.
25. Create a newspaper from the 1960s with stories about Dr. King's peaceful marches and speeches.
26. Write diary entries pretending to be a kid who walked with Dr. King during his peaceful protests.
27. Make up a song about treating everyone fairly and being kind to others.
28. Create a picture book teaching younger kids about Dr. King's important message of peace.
29. Write thank you notes to people in your life who help make the world more fair and peaceful.
30. Make a list of peaceful ways to solve problems when you disagree with someone.
31. Create a play about kids from different backgrounds becoming best friends.
32. Write messages of hope and put them in balloons to share with your classmates.
33. Make-up riddles about peace and friendship for other kids to solve.
34. Create a class book where each student writes about their own dream of making the world better.
35. Write a letter to your future self about how you plan to help make positive changes in the world.
36. Make up a story about animals in the forest learning to get along despite their differences.
37. Create peaceful quotes to post around your school using your own words of wisdom.
38. Write a recipe for peace listing all the ingredients needed to make the world a better place.
39. Make up a peaceful bedtime story to share with your younger siblings or friends.
40. Create a kindness calendar with different writing projects about peace for each day.

Science and Math Projects

41. Count how many steps it takes to walk peacefully around your playground, like Dr. King's peaceful marches.
42. Make a graph showing how many kinds of acts your class does each day for a week.
43. Create a peace garden and measure how tall your plants grow each day.
44. Build a bridge using toothpicks and marshmallows to show how we can connect different communities.
45. Make a survey asking classmates how they show kindness and create a colourful chart of the results.
46. Calculate how many miles Dr King travelled to spread his message of peace using a map and ruler.
47. Design a peaceful city using shapes and measure the area it would cover.

48. Create a timeline of Dr. King's life using equal spacing and careful measurements.
49. Make a rainbow peace sign and practice measuring angles between the lines.
50. Build a scale model of a place where Dr. King gave an important speech using blocks.
51. Count the number of peaceful words you can find in Dr. King's speeches and make a bar graph.
52. Design a peace symbol using geometric shapes and measure their perimeters.
53. Create a weather tracker to record peaceful days in your classroom using thermometers and charts.
54. Make patterns with peaceful symbols using different colours and shapes.
55. Build a working clock that counts minutes of kindness instead of regular minutes.
56. Measure the distance sound travels when speaking kindly versus shouting.
57. Create a peaceful garden design using grid paper and area calculations.
58. Make a sundial to track time spent doing peaceful activities.
59. Build a balance scale to show how fairness works using equal weights.
60. Design an experiment to show how peaceful music affects plant growth.

History and Social Studies Projects

61. Create a timeline showing important events in Dr. King's life using pictures and dates.
62. Make a map showing places where Dr. King gave his famous speeches.
63. Interview older family members about what they remember about Dr. King's time.
64. Create a museum exhibit about the Civil Rights Movement using shoe boxes and small toys.
65. Make a scrapbook about peaceful leaders from different times and places.
66. Design a poster showing how schools have changed since Dr. King's time.
67. Create a time capsule filled with peaceful messages for future kids to find.
68. Make a flip book showing how laws have changed to make things more fair for everyone.
69. Create a peaceful protest sign using words and pictures from Dr. King's time.
70. Build a model of the Lincoln Memorial where Dr. King gave his famous speech.
71. Make a photo album showing how your town has changed since Dr. King's time.
72. Create a timeline of peaceful changes that have happened in your community.
73. Design a history quiz game about Dr. King's life and important work.
74. Make a collection of newspaper headlines about peaceful changes in history.
75. Create a peaceful hero trading card collection featuring important leaders.
76. Build a model of the bus where Rosa Parks took her brave stand.
77. Make a peaceful protest songbook using songs from Dr. King's time.
78. Create a peaceful march route map for your school playground.
79. Design a historical marker about an important peaceful event in your town.
80. Make a time machine box showing peaceful moments from the past and future.

Music and Performance Projects

81. Write a song about peace using simple words that everyone can sing along to.
82. Create a dance showing how different people can move together in harmony.
83. Make musical instruments from recycled materials to play peaceful tunes.

84. Put on a play about Dr. King's life using simple costumes and props.
85. Create a peaceful rhythm pattern using classroom objects as drums.
86. Make up hand motions to go with Dr King's "I Have a Dream" speech.
87. Write a rap about treating others with kindness and respect.
88. Create a peaceful movement game like "Simon Says" but with kind actions.
89. Make a music video about making new friends and working together.
90. Design a peaceful parade with homemade instruments and banners.
91. Create a peaceful playground chant that everyone can learn.
92. Make up a peace dance that tells a story without using words.
93. Write new peaceful words to a familiar tune everyone knows.
94. Create sound effects to go with a story about making peace.
95. Make a musical about kids solving problems without fighting.
96. Design a clapping game with words about being kind to others.
97. Create a peaceful flash mob dance for your classroom.
98. Make up a song about famous peaceful leaders throughout history.
99. Write a peaceful cheer that your class can perform together.
100. Create a musical peace sign where different parts make different sounds.

Community Service Projects

101. Start a kindness club at school that helps others during recess.
102. Make care packages for kids who might need cheering up.
103. Create a peaceful garden in your schoolyard that everyone can enjoy.
104. Organise a peaceful march around your playground for a good cause.
105. Make friendship bracelets to give to new students at school.
106. Start a lunch buddy program to make sure no one eats alone.
107. Create peace cards to give to people who help in your community.
108. Make bird feeders share peace with nature in your neighbourhood.
109. Organise a toy drive for kids who need something to smile about.
110. Create a peace wall where everyone can post kind messages.
111. Make treats for local helpers like firefighters and teachers.
112. Start a recycling program to help keep your school peaceful and clean.
113. Create a buddy reading program with younger students.
114. Make peaceful placemats for people who might need a smile.
115. Organise a clean-up day for your school playground.
116. Create a welcome committee for new students at your school.
117. Make blessing bags for people who need extra help.
118. Start a peace patrol to help solve playground problems.
119. Create comfort kits for kids in hospitals.
120. Make thank you cards for school helpers like custodians and lunch staff.

Environmental Peace Projects

121. Plant a peaceful garden with flowers that attract beautiful butterflies.
122. Create birdhouses decorated with peaceful messages.
123. Make a peaceful nature walk with signs about being kind to Earth.
124. Start a classroom compost bin to help Mother Nature.

125. Create peaceful posters about saving water and energy.
126. Make seed balls to spread peaceful flowers in empty lots.
127. Design reusable bags with peaceful messages for shopping.
128. Create a peaceful spot in nature for reading and thinking.
129. Make wind chimes from recycled materials to spread peaceful sounds.
130. Start a peaceful plant-growing competition in your classroom.
131. Create nature art with found objects arranged in peace signs.
132. Make peaceful promises about helping the Earth stay healthy.
133. Design a peaceful playground using natural materials.
134. Create a butterfly garden that welcomes peaceful creatures.
135. Make signs asking people to keep your park peaceful and clean.
136. Start a peaceful pet care program at school.
137. Create peaceful messages using rocks in your school garden.
138. Make bird feeders that spread seeds of peace.
139. Design an Earth Day celebration about peaceful living.
140. Create a nature journal about peaceful moments outside.

Peace Through Sports Projects

141. Create new playground games that focus on working together instead of winning.
142. Make up peaceful cheers for both teams at school games.
143. Design a new sport where everyone has to help each other.
144. Create team shirts with peaceful messages for your class.
145. Make up rules for a new game called "Peace Ball."
146. Design obstacle courses that require teamwork to complete.
147. Create peaceful warm-up exercises for gym class.
148. Make medals that celebrate being kind during games.
149. Design sports equipment that helps people play together better.
150. Create a peaceful sports day where everyone wins.
151. Makeup games that mix kids from different grades together.
152. Design playground zones for peaceful play only.
153. Create team-building challenges for your class.
154. Make peaceful referee signals for new games.
155. Design a sports tournament where teams keep changing.
156. Create games that use peaceful words instead of numbers to keep score.
157. Makeup dances that everyone can do during sports breaks.
158. Design playground markings for peaceful games.
159. Create sports equipment from recycled materials that everyone can use.
160. Makeup ways to celebrate peace during regular sports games.

Peaceful Problem-Solving Projects

161. Create a peace corner in your classroom for solving disagreements.
162. Make peaceful solution cards for common playground problems.
163. Design a peaceful problem-solving wheel to help make choices.
164. Create role-play cards about solving conflicts peacefully.
165. Make a peace pledge for your class to sign and follow.

166. Design peaceful timeout spots for cooling down.
167. Create a feelings chart to help express emotions peacefully.
168. Make peaceful solution puppets for acting out problems.
169. Design a peaceful problem-solving flowchart.
170. Create calm-down bottles for peaceful thinking time.
171. Make peaceful choice sticks for picking solutions.
172. Design peaceful problem-solving steps posters.
173. Create a peace table with tools for working things out.
174. Make peaceful solution cards for the lunch room.
175. Design peaceful ways to line up without pushing.
176. Create peaceful voice charts for different situations.
177. Make peacekeeper badges for helpful students.
178. Design peaceful solution cards for sharing toys.
179. Create a peaceful problem-solving book for your class.
180. Make peaceful promise cards for solving future problems.

Food and Cooking Projects

181. Make peace sign cookies to share with your class.
182. Create a peaceful snack mix with foods from different cultures.
183. Design peaceful fruit arrangements that look like doves.
184. Make a friendship trail mix where everyone adds something.
185. Create peace symbol pizzas with colourful toppings.
186. Make peaceful picnic foods to share outside.
187. Design peaceful lunch box notes for your friends.
188. Create peaceful snacks that look like Dr. King's face.
189. Make friendship bread to share with your class.
190. Design peaceful place cards for a class dinner.
191. Create a unity soup where everyone brings an ingredient.
192. Make peaceful popsicles with fruit juice layers.
193. Design peaceful sandwich shapes for lunch.
194. Create peaceful fruit kabobs with rainbow colours.
195. Make friendship cookies with handprint shapes.
196. Design peaceful cupcake decorations.
197. Create a unity salad with vegetables from different places.
198. Make peaceful rice krispie treat shapes.
199. Design peaceful fruit smoothies to share.
200. Create peaceful snack bags for a food drive.
