

# Simple Fraction Project Ideas

Here the top rated Simple Fraction Project Ideas:

## Fun with Food Fractions

1. **Pizza Party Planner** – Cut different pizzas into equal slices so all friends get a fair share.
2. **Cookie Fraction Factory** – Use frosting to decorate round cookies with different fraction parts.
3. **Fruit Salad Fractions** – Mix different amounts of fruits to make tasty fraction combinations.
4. **Sandwich Cutting Challenge** – Cut sandwiches into equal parts to practice fractions.
5. **Pancake Math Morning** – Make pancakes and divide them into different fraction pieces.
6. **Candy Bar Sharing** – Break chocolate bars into equal and unequal parts to learn fractions.
7. **Ice Cream Scoop Studies** – Measure ice cream scoops in fractional amounts.
8. **Apple Slice Mathematics** – Cut apples into different fraction sizes and compare the pieces.
9. **Trail Mix Ratios** – Mix snacks using fraction measurements.
10. **Juice Mixing Station** – Combine different juices by measuring fractional cups.
11. **Cake Decorating Division** – Design cakes with frosting sections to show different fractions.
12. **Fruit Smoothie Lab** – Use fractional measurements to blend the perfect smoothie.
13. **Cereal Sort and Count** – Sort different cereals into fractional parts of a whole.
14. **Pretzel Pattern Parts** – Arrange pretzels in patterns to show fraction relationships.
15. **Watermelon Wedge Workshop** – Cut watermelon into equal pieces to learn about fractions.
16. **Snack Mix Mathematics** – Make snack mixes using different fraction measurements.
17. **Bread Baking Fractions** – Measure ingredients with fraction cups to bake fresh bread.
18. **Muffin Pan Math** – Use muffin tins to show different fraction concepts.
19. **Fruit Loop Fractions** – String cereal pieces to make fraction necklaces.
20. **Popcorn Probability** – Sort popcorn to explore fraction probability.
21. **M&M Color Fractions** – Group candies by color to see fraction parts.
22. **Donut Division Dilemma** – Cut paper donuts into different fractional pieces.
23. **Ice Pop Fractions** – Make layered ice pops using fraction measurements.
24. **Veggie Platter Parts** – Arrange vegetables in fractional sections on a plate.
25. **Recipe Reading Challenge** – Change recipe amounts into different fractions.

## Creative Art Fractions

26. **Color Wheel Fractions** – Paint a color wheel showing fractional color parts.
27. **Paper Strip Quilts** – Make a fraction quilt with colorful paper strips.

28. **Origami Fraction Fun** – Fold paper to display fraction parts.
29. **Pattern Block Pictures** – Create images using fraction-based pattern blocks.
30. **Fraction Flag Design** – Design flags with fractional color sections.
31. **Circle Art Challenge** – Draw circles divided into creative fraction sections.
32. **Fraction Flower Garden** – Make paper flowers with fraction petals.
33. **Paint Mixing Station** – Mix paint colors using fractional measuring cups.
34. **Shape Collage Creation** – Cut shapes into fractions to create artwork.
35. **Rainbow Fraction Chains** – Make paper chains showing fraction relationships.
36. **Fraction Face Drawing** – Draw faces divided into equal fraction parts.
37. **Newspaper Number Hunt** – Find and circle fractions in newspapers.
38. **Mosaic Math Masterpiece** – Use fractional paper pieces to make mosaics.
39. **Fraction Fashion Design** – Create clothes with fraction patterns.
40. **Stained Glass Math** – Design window decorations with fraction parts.
41. **Fraction Comic Strip** – Draw comics that show fraction story problems.
42. **Clay Fraction Sculptures** – Mold clay into different fraction shapes.
43. **Beading by Numbers** – Make bead patterns based on fraction sequences.
44. **Paint Chip Fractions** – Use paint sample cards to show fraction comparisons.
45. **Fraction Photo Gallery** – Take pictures of fractions in real life.
46. **Dot Art Decimals** – Create dot paintings to show decimal fractions.
47. **Paper Plate Puzzles** – Cut paper plates into fraction puzzles.
48. **Fraction Memory Cards** – Make cards for a fraction matching game.
49. **Symmetry Split Pictures** – Draw pictures split into fractional parts.
50. **Fraction Mandala Making** – Create mandalas with equal sections.

## **Sports and Games Fractions**

51. **Basketball Shot Stats** – Track shots made as fractions of total attempts.
52. **Jump Rope Counting** – Count jumps in fractional sets.
53. **Soccer Goal Grid** – Divide the goal into fractional target zones.
54. **Running Track Fractions** – Run different fractions of a track.
55. **Baseball Diamond Math** – Use a baseball diamond to measure fraction distances.
56. **Hopscotch Fractions** – Make a hopscotch game with fraction squares.
57. **Fraction Football Field** – Divide the field into fractional yards.
58. **Dance Step Counter** – Count dance steps using fraction beats.
59. **Volleyball Score Tracker** – Compare volleyball scores using fractions.
60. **Mini Golf Mathematics** – Design a mini golf course with fraction-based scoring.
61. **Swimming Pool Laps** – Swim different fractions of pool lengths.
62. **Frisbee Target Practice** – Make targets with fraction point values.
63. **Tennis Court Quarters** – Use tennis court lines to learn about quarters.
64. **Bowling Pin Fractions** – Count knocked pins as fractions of the total.
65. **Exercise Circuit Timer** – Do exercises for fractional time amounts.
66. **Jump Rope Patterns** – Create jump patterns based on fraction beats.
67. **Hula Hoop Fractions** – Divide hoop space into equal parts.
68. **Fraction Relay Race** – Run races split into fraction sections.
69. **Ball Bounce Counter** – Count bounces in fractional groups.
70. **Sports Statistics Study** – Calculate player stats using fractions.
71. **Fraction Tag Game** – Play tag with fraction-based safe zones.
72. **Yoga Pose Timer** – Hold yoga poses for fractional minutes.

73. **Scavenger Hunt Math** – Find objects that show fractions.
74. **Balance Beam Parts** – Walk different fractions of a balance beam.
75. **Fitness Challenge Counter** – Track exercises as fractions of goals.

## Nature and Science Fractions

76. **Garden Plot Planning** – Divide a garden into fractional planting spaces.
77. **Weather Watch Fractions** – Track sunny versus cloudy days in fractions.
78. **Leaf Collection Compare** – Sort leaves by size into fraction groups.
79. **Rock Collection Division** – Sort rocks into fractional sets by type.
80. **Seed Counting Project** – Count different seed types as fractions of a whole.
81. **Tree Ring Calculator** – Study tree rings to learn about fractional growth.
82. **Bird Watch Counter** – Count bird types as fractions of total sightings.
83. **Cloud Coverage Calculator** – Estimate cloud cover in fractions of the sky.
84. **Flower Petal Counter** – Compare flower petals using fraction relationships.
85. **Rain Gauge Reader** – Measure rainfall using fractional inches.
86. **Bug Collection Counter** – Sort insects into fraction groups.
87. **Plant Growth Tracker** – Measure plant growth using fractions.
88. **Shell Collection Sorter** – Organize shells by fractional sizes.
89. **Nature Color Finder** – Spot colors in nature that represent fractions.
90. **Animal Track Measurer** – Measure animal tracks using fraction rulers.
91. **Tide Pool Observer** – Study tide pool creatures in fractional amounts.
92. **Habitat Space Study** – Calculate animal habitats using fractions.
93. **Constellation Fraction Finder** – Break star patterns into equal parts.
94. **Soil Sample Sorter** – Separate soil types into fraction categories.
95. **Wind Speed Timer** – Track wind speed for fractional minutes.
96. **Temperature Tracker** – Record temperature changes using fractions.
97. **Leaf Size Comparator** – Compare leaves by measuring fractional differences.
98. **Mushroom Spore Counter** – Count mushroom spores in fractional amounts.
99. **Feather Type Tracker** – Group feathers into fraction-based categories.
100. **Nature Journal Numbers** – Record observations in fractional amounts.

## Music and Sound Fractions

101. **Beat Box Fractions** – Make fun beats using different fraction times.
102. **Song Length Calculator** – Figure out how long each part of a song is using fractions.
103. **Musical Note Timer** – Play music notes for different fraction lengths.
104. **Drum Circle Division** – Make drum beats using fraction-based timing.
105. **Clapping Pattern Practice** – Create clapping games with fraction rhythms.
106. **Symphony Section Counter** – Count groups of instruments as parts of an orchestra.
107. **Music Measure Maker** – Write music with notes of different fraction values.
108. **Sound Wave Splitter** – Record a sound and divide it into fractional pieces.
109. **Xylophone Scale Parts** – Play small sections of a musical scale.
110. **Tempo Time Keeper** – Change how fast or slow a song plays using fractions.
111. **Piano Key Counter** – Sort piano keys into fraction groups.
112. **Dance Step Division** – Create dance moves that last for fraction beats.

113. **Music Volume Adjuster** – Turn volume up or down using fraction steps.
114. **Song Section Separator** – Split songs into fraction-based parts.
115. **Rhythm Block Builder** – Arrange rhythm blocks using fraction patterns.
116. **Musical Fraction Memory** – Match music notes with their fraction values.
117. **Sound Effect Timer** – Time sound effects using fractions of a second.
118. **Metronome Math Maker** – Set a metronome to different fraction beats.
119. **Singing Time Splitter** – Divide singing parts into different fraction lengths.
120. **Band Part Planner** – Assign band members fractional playing times.
121. **Music Mix Master** – Blend songs using fractions of time.
122. **Harmony Helper** – Split voices into fractional singing parts.
123. **Guitar String Studies** – Learn how guitar strings vibrate using fractions.
124. **Percussion Pattern Parts** – Make drumming patterns using fraction counts.
125. **Music Mood Meter** – Rate songs using a fraction-based scale.

## **Building and Construction Fractions**

126. **Block Tower Builder** – Stack blocks with fractional height sizes.
127. **Paper Bridge Designer** – Build paper bridges using fraction measurements.
128. **Room Layout Planner** – Plan room spaces using fractions.
129. **Lego Structure Sorter** – Sort building blocks by their fractional sizes.
130. **Cardboard City Creator** – Design city models with fraction-based sizes.
131. **Blueprint Drawer** – Draw house plans with fractional measurements.
132. **Model Car Maker** – Build toy cars with fraction-sized parts.
133. **Stick Structure Builder** – Use sticks of different fractions to build structures.
134. **Sand Castle Sculptor** – Measure sand in fractions to create castles.
135. **Building Height Helper** – Compare building heights using fractions.
136. **Wall Design Divider** – Create wall patterns with fractional sections.
137. **Floor Plan Fraction** – Design floor layouts using fractional spaces.
138. **Paint Project Planner** – Figure out how much paint you need using fractions.
139. **Window Width Whiz** – Measure windows in fractional inches.
140. **Door Design Developer** – Divide doors into fractional panels.
141. **Roof Angle Artist** – Design roof slopes using fractions.
142. **Furniture Placement Planner** – Arrange furniture in fractional spaces.
143. **Garden Fence Builder** – Space out fence posts using fractions.
144. **Playground Planner** – Design playgrounds using fraction-based areas.
145. **Scale Model Maker** – Build small models using fraction measurements.
146. **Tower Height Timer** – Measure tower heights in fractions of feet.
147. **Bridge Span Spotter** – Find bridge lengths using fractions.
148. **Construction Crew Counter** – Split workers into fractional groups.
149. **Building Block Balancer** – Keep buildings steady using fraction weights.
150. **Architecture Adventure** – Design buildings using fraction symmetry.

## **Money and Shopping Fractions**

151. **Coupon Calculator** – Figure out fraction discounts on items.
152. **Price Comparison Pro** – Compare prices using fraction differences.
153. **Budget Breakdown Builder** – Split money into fractional spending parts.
154. **Sale Price Solver** – Find out sale prices using fraction discounts.

155. **Shopping List Splitter** – Divide a shopping list into fraction groups.
156. **Penny Percentage Parser** – Understand coin values as parts of a dollar.
157. **Money Saving Manager** – Save money in fraction amounts each week.
158. **Restaurant Receipt Reader** – Calculate tips using fractions of the total bill.
159. **Store Stock Sorter** – Sort store items by fractional prices.
160. **Wallet Worth Wrapper** – Organize money into fractional piles.
161. **Discount Detective** – Find the best deals using fraction comparisons.
162. **Price Tag Tracker** – Track price changes in fractional amounts.
163. **Grocery Game Guide** – Shop using a budget split into fractions.
164. **Money Mixer Master** – Combine different coins using fractions.
165. **Shopping Spree Splitter** – Divide shopping costs using fractions.
166. **Bank Balance Builder** – Track savings using fraction values.
167. **Cost Compare Creator** – Compare costs using fractions.
168. **Market Math Maker** – Use fractions to calculate market prices.
169. **Spend Save Splitter** – Organize money into spending and saving fractions.
170. **Dollar Deal Detective** – Find items priced in fractional dollars.
171. **Change Champion** – Make change using fractional amounts.
172. **Price Pattern Predictor** – Watch price trends in fractions.
173. **Budget Battle Builder** – Create spending plans with fractional amounts.
174. **Sale Scanner Sorter** – Find sales using fraction-based discounts.
175. **Money Match Maker** – Match coins to their fractional values.

## Time and Schedule Fractions

176. **Day Divider Designer** – Split the day into fraction parts.
177. **Week Watcher Wonder** – Track weekly tasks using fractions.
178. **Hour Handler Helper** – Break an hour into fractional times.
179. **Schedule Splitter System** – Create schedules with fraction time slots.
180. **Time Table Tracker** – Make schedules using fraction hours.
181. **Minute Mission Maker** – Complete tasks in fractional minutes.
182. **Calendar Calculator Creator** – Plan events using fraction days.
183. **Clock Face Fractions** – Show time using fraction hour parts.
184. **Activity Agenda Analyzer** – Track activities in fractional durations.
185. **Timer Task Tracker** – Use fractions to time different tasks.
186. **Daily Division Doer** – Plan daily routines with fraction-based times.
187. **Schedule Share Sorter** – Divide schedules into fractions.
188. **Time Zone Tracker** – Find time differences in fractions.
189. **Monthly Mission Manager** – Plan a month using fractional segments.
190. **Year Yield Yardstick** – Divide the year into fractional parts.
191. **Event Estimator Expert** – Guess event lengths using fractions.
192. **Break Time Builder** – Plan breaks with fractional timing.
193. **Duration Divider Developer** – Measure time using fractions.
194. **Time Table Tester** – Set up test schedules with fractions.
195. **Schedule Science Solver** – Study schedules using fractions.
196. **Clock Compare Creator** – Compare times in fractional amounts.
197. **Time Track Trainer** – Monitor time in fractional parts.
198. **Period Planner Pro** – Organize time periods with fractions.
199. **Deadline Division Dealer** – Split deadlines into fractions.

200. **Time Management Master** – Use fractions to organize time better.

## Digital and Technology Fractions

201. **Screen Time Splitter:** Keep track of how long you use a device in parts of an hour.
202. **Data Usage Divider:** Watch how much data you use in small parts.
203. **Pixel Picture Parser:** Make pixel art by using a grid with small sections.
204. **Battery Life Logger:** Measure battery life in smaller parts instead of full hours.
205. **Download Duration Detective:** Find out how long a download takes by using fraction time.
206. **Memory Monitor Master:** See how much memory is used by looking at smaller parts.
207. **Game Score Gateway:** Use fractions to figure out game scores.
208. **Digital Display Divider:** Split the screen into different sections using fractions.
209. **Storage Space Sorter:** Arrange files by dividing storage into small parts.
210. **Video Length Viewer:** Measure how long a video is by breaking it into fractional minutes.
211. **App Usage Analyzer:** Track how much time an app is used by counting in parts of an hour.
212. **Keyboard Key Counter:** Sort keyboard keys into different groups using fractions.
213. **Mouse Movement Measurer:** Watch how far the mouse moves by using fractions.
214. **File Size Finder:** Compare file sizes by looking at smaller parts.
215. **Password Pattern Planner:** Make password patterns by following fraction rules.
216. **Computer Color Creator:** Mix colors by using small fraction values.
217. **Digital Document Divider:** Break documents into smaller sections using fractions.
218. **Screen Resolution Resolver:** Change screen settings by adjusting fraction ratios.
219. **Font Size Finder:** Make text bigger or smaller using fraction measurements.
220. **Image Inspector Investigator:** Change the size of an image by using fractions.
221. **Cursor Control Calculator:** Move the cursor in small steps using fractions.
222. **Website Width Watcher:** Design websites by using fraction-based widths.
223. **Digital Drawing Divider:** Make art by using tools that work with fractions.
224. **Program Progress Planner:** Track how far along a program is by using fractions.
225. **Tech Time Tracker:** Watch how much time is spent on technology in fractions.

## Community and Social Fractions

226. **Team Task Taker:** Split group work into smaller parts using fractions.
227. **Club Collection Counter:** Keep track of how many people are in a club using fractions.
228. **Vote Value Viewer:** Count votes by looking at them as parts of the total.
229. **Group Game Gatherer:** Divide people into teams using fractions.
230. **Friend Finder Fraction:** Sort friends into groups based on what they like in fractions.

231. **Party Planner Pro:** Plan a party by using fraction-based measurements.
232. **Community Clean Calculator:** Divide cleanup tasks into smaller fraction zones.
233. **Population Pattern Parser:** Study groups of people by breaking them into fractions.
234. **Survey System Sorter:** Look at survey answers by dividing them into fraction results.
235. **Class Count Calculator:** Track how many students attend class using fractions.
236. **Neighborhood Number Noter:** Study parts of a neighborhood by using fractions.
237. **Event Entrance Expert:** Count how many people come to an event in fractions.
238. **Project Part Planner:** Split a project into smaller tasks using fractions.
239. **Team Time Tracker:** Measure how much time a team spends on work using fractions.
240. **Group Goal Getter:** Set goals by breaking them into smaller fraction amounts.
241. **Community Calendar Creator:** Plan events by using fraction-based times.
242. **Social Space Splitter:** Organize social areas by dividing them into fraction sections.
243. **Meeting Minutes Maker:** Track meeting times by counting in fraction hours.
244. **Crowd Count Calculator:** Estimate the number of people in a place using fractions.
245. **Helper Hours Handler:** Keep track of volunteer hours using fractions.
246. **Share Space Sorter:** Divide shared spaces into smaller fraction parts.
247. **Opinion Poll Parser:** Study poll results by looking at fraction-based answers.
248. **Group Game Guide:** Make games that use teams based on fractions.
249. **Task Team Tracker:** Keep track of how much work a team has done using fractions.
250. **Community Connection Counter:** Measure social connections using fractions.

## Fraction Project Ideas for Grade 4

### Food Fractions

1. Mini Pizza Portions: Make small pizzas and cut them into equal slices.
2. Cookie Fractions Festival: Bake cookies and decorate them to show simple fractions.
3. Fruit Salad Share: Mix fruits using basic fraction amounts.
4. Sandwich Splitting Game: Cut sandwiches into halves and quarters.

### Art Fractions

5. Rainbow Fraction Strips: Use colorful paper to make strips showing equal fractions.
6. Shape Collage Counter: Make art using basic shapes divided into fractions.
7. Pattern Block Pictures: Create pictures using half and quarter blocks.
8. Fraction Face Drawing: Draw fun faces split into equal parts.

### Sports and Games

9. Jumping Jack Counter: Count exercises in simple fractional groups.
10. Basketball Shot Tracker: Keep track of made shots as basic fractions.

11. Simple Score Keeper: Compare game scores using fractions.
12. Hopscotch Helper: Design a hopscotch game using fractions.

### **Nature and Science**

13. Leaf Collection Counter: Sort leaves into small groups using fractions.
14. Weather Watch: Record sunny and rainy days as fractions.
15. Seed Sorting Station: Organize seeds into fractional parts.
16. Plant Growth Graph: Measure plant growth using fraction rulers.

### **Music and Sound**

17. Clap Pattern Practice: Make simple beats using fractions.
18. Music Note Match: Learn note values as fractions.
19. Simple Song Sections: Split short songs into equal parts.
20. Drum Beat Division: Create fun drum patterns using fractions.

### **Building and Construction**

21. Block Tower Time: Build towers using unit fraction heights.
22. Paper House Plans: Design houses with fractional rooms.
23. Craft Stick Structures: Make shapes using fraction measurements.
24. Simple Scale Models: Build small models using whole fractions.

### **Money and Shopping**

25. Coin Counter Quest: Sort coins into fractional dollar amounts.
26. Simple Store Setup: Price items using basic fractions.
27. Basic Budget Builder: Split allowance into simple fractions.
28. Quarter Calculator: Use quarters to show fractions of a dollar.

### **Time and Schedule**

29. Daily Schedule Divider: Split the day into fraction segments.
30. Hour Half Helper: Show activities in half-hour parts.
31. Simple Time Tracker: Record time in quarter-hours.
32. Week Watcher: Break a week into fraction sections.

### **Digital and Technology**

33. Screen Time Splits: Keep track of device time using fractions.
34. Basic Battery Tracker: Watch battery life in quarters.
35. Simple Slide Show: Make presentations about fractions.
36. Digital Drawing Divider: Create art using simple fraction tools.

### **Community and Social**

37. Team Task Timer: Split work into equal parts.
38. Fair Share Finder: Divide materials fairly.
39. Classroom Clean-up Counter: Keep track of cleaning using fractions.

40. Group Game Guide: Create games using fractions.

## **Fraction Project Ideas for Grade 5**

### **Food Fractions**

- 41. Recipe Ratio Reporter: Change recipes using fractions.
- 42. Mixed Numbers Menu: Create dishes using mixed numbers.
- 43. Ingredient Investigation: Compare recipe amounts with fractions.
- 44. Smoothie Science: Mix drinks using exact fractions.

### **Art Fractions**

- 45. Mandala Math Maker: Design mandalas with fraction patterns.
- 46. Mixed Media Measures: Make art using different fractions.
- 47. Symmetry Split Studies: Draw images using fraction divisions.
- 48. Proportion Portrait Project: Draw faces with fraction proportions.

### **Sports and Games**

- 49. Team Time Tracker: Record playing time with mixed numbers.
- 50. Score Statistics Study: Analyze scores with decimal fractions.
- 51. Distance Decimal Dash: Measure running distances with decimal fractions.
- 52. Fraction Field Games: Create sports games using fractions.

### **Nature and Science**

- 53. Ecosystem Explorer: Study habitats using fractions.
- 54. Migration Math: Track animal movement in fractions.
- 55. Weather Width Watcher: Measure rain using fractions.
- 56. Garden Grid Guide: Plan gardens with equal fractions.

### **Music and Sound**

- 57. Complex Composition Creator: Write music with different fractions.
- 58. Tempo Time Tracker: Change song speeds using fractions.
- 59. Musical Mix Master: Blend sounds using ratio fractions.
- 60. Rhythm Round Ranger: Create rhythms using fractions.

### **Building and Construction**

- 61. Blueprint Breakdown: Design rooms using fractions.
- 62. Scale Structure Solver: Make models using equivalent fractions.
- 63. Area Arrangement Activity: Measure space with fractions.
- 64. Dimension Detective: Measure buildings using decimals.

### **Money and Shopping**

- 65. Discount Detective: Find sale prices using fractions.
- 66. Budget Balance Builder: Plan spending with fractions.

- 67. Price Proportion Puzzler: Compare costs using fractions.
- 68. Shopping Share Solver: Divide shopping costs fairly.

### **Time and Schedule**

- 69. Event Estimator Expert: Plan events using time fractions.
- 70. Schedule Segment Sorter: Organize time into fractions.
- 71. Duration Division Developer: Track time using decimals.
- 72. Calendar Calculator: Plan months using fractions.

### **Digital and Technology**

- 73. Data Division Dashboard: Track computer time with fractions.
- 74. Program Progress Planner: Monitor work using decimals.
- 75. File Fraction Finder: Sort files using size fractions.
- 76. Digital Design Developer: Create art with fractions.

### **Community and Social**

- 77. Project Part Planner: Organize work using fractions.
- 78. Team Talent Tracker: Compare skills using fractions.
- 79. Event Entrance Expert: Count attendance with decimals.
- 80. Community Calculator: Study people using fractions.

## **Fraction Project Ideas for Grade 6**

### **Food Fractions**

- 81. Molecular Gastronomy Math: Make recipes using exact fractions.
- 82. International Recipe Converter: Change recipes between fraction systems.
- 83. Nutrition Number Navigator: Calculate portion sizes with fractions.
- 84. Commercial Kitchen Calculator: Scale recipes for groups.

### **Art Fractions**

- 85. Golden Ratio Gallery: Create art using the golden ratio.
- 86. Perspective Project Pro: Draw using fraction-based perspectives.
- 87. Color Theory Calculator: Mix colors using fractions.
- 88. Digital Design Divider: Use fractions in digital art.

### **Sports and Games**

- 89. Performance Percentage Tracker: Analyze game stats with fractions.
- 90. Complex Competition Calculator: Make scoring systems using fractions.
- 91. Training Time Tracker: Plan workouts with fractions.
- 92. Team Tournament Tally: Rank teams using fractions.

### **Nature and Science**

- 93. Biodiversity Breakdown: Study species ratios in nature.

- 94. Chemical Composition Calculator: Mix substances with fractions.
- 95. Geological Time Grapher: Measure rock layers using fractions.
- 96. Climate Change Calculator: Analyze weather with fractions.

### **Community and Social**

- 97. Population Pattern Predictor: Study people using fractions.
- 98. Resource Ratio Reporter: Track community needs using fractions.
- 99. Survey Statistics Solver: Analyze surveys with decimals.
- 100. Organization Optimization Officer: Plan events using fractions.
