120. Research Jackie's influence on baseball today.

Interactive and Hands-on Projects:

121. Build a baseball field model like Jackie's.
122. Create a Jackie Robinson card trading game.
123. Make a baseball statistics math learning game.
124. Design a board game about Jackie's life.
125. Build a miniature Ebbets Field stadium model.
126. Create a Jackie Robinson memory-matching game.
127. Make a baseball uniform like Jackie's own.
128. Design a quiz game about Jackie Robinson.
129. Build a display showing Jackie's achievements.
130. Create a baseball card-collecting adventure game.
131. Make a Jackie Robinson bingo learning game.
132. Design a baseball throwing practice game.
133. Build a model showing Jackie stealing a base.
134. Create a Jackie Robinson trivia board game.
135. Make a baseball team lineup planning game.
136. Design a Jackie Robinson word search puzzle.
137. Build a scoreboard showing Jackie's stats.
138. Create a baseball diamond measuring math game.
139. Make a Jackie Robinson story cube game.
140. Design a baseball card sorting learning game.
141. Build a model showing Jackie's playing field.
142. Create a Jackie Robinson baseball strategy game.
143. Make a baseball uniform design activity.
144. Design a Jackie Robinson scavenger hunt game.
145. Build a model showing Jackie's achievements.
146. Create a baseball statistics counting math game.
147. Make a Jackie Robinson card matching game.
148. Design a baseball player position learning game.
149. Build a model showing Jackie's baseball career.
150. Create a Jackie Robinson baseball history game.

Technology and Digital Projects:

151. Make digital Jackie Robinson baseball cards.
152. Create a virtual tour of a baseball field.
153. Design a computer game about Jackie Robinson.
154. Make a slideshow showing Jackie's life story.
155. Create a digital timeline of Jackie's career.
156. Design a website about Jackie Robinson.
157. Make an animation showing Jackie stealing a base.
158. Create a digital book about Jackie's achievements.
159. Design a video game featuring Jackie Robinson.
160. Make a digital museum about his baseball career.
161. Create a virtual baseball card collection.
162. Design a digital comic about Jackie Robinson.
163. Make an animated timeline of Jackie's life.
164. Create a digital scrapbook about his baseball years.
165. Design a virtual baseball field tour.

166. Make a digital presentation about Jackie Robinson.
167. Create an animated baseball game featuring Jackie.
168. Design a digital trading card game.
169. Make a virtual reality baseball experience.
170. Create a digital documentary about Jackie Robinson.

Community and Service Projects:

171. Plan a Jackie Robinson baseball game for kids.
172. Set up a neighbourhood display about Jackie's achievements.
173. Collect baseball gear to honour Jackie.
174. Arrange a Jackie Robinson Day party for the community.
175. Host a baseball class teaching Jackie's values.
176. Paint a mural in town about Jackie Robinson.
177. Start a book club about famous baseball players.
178. Organize a baseball match to honour Jackie.
179. Begin a kindness project inspired by Jackie.
180. Plan a neighborhood walk in Jackie's footsteps.
181. Create a baseball card trading club.
182. Plant a community garden shaped like a baseball.
183. Host a Jackie Robinson movie night for the neighbourhood.
184. Start a baseball history group for kids.
185. Make a quilt with Jackie Robinson's story.

Science and Math Projects:

186. Use math to find Jackie's batting average.
187. Measure a baseball field like the one Jackie played on.
188. Study how physics helped Jackie steal bases.
189. Draw a graph of Jackie Robinson's baseball stats.
190. Find out how far Jackie ran during games.
191. Track how fast a baseball is thrown.
192. Study the angles of Jackie's best hits.
193. Make math problems using baseball scores.
194. Calculate the chances of Jackie stealing a base.
195. Measure the size of a baseball field.
196. Learn about the shapes used in a baseball diamond.
197. Chart Jackie's performance over his career.
198. Find the probability of stealing a base successfully.
199. Weigh a baseball and measure how far it travels.
200. Study the math behind keeping score in baseball.

Leadership and Character Projects:

201. Start a kindness movement inspired by Jackie.
